GIRL SCOUTS

DAISY SCOUTS: *School Rules with the Daisies* – This program takes place in our historic Churchville One-Room Schoolhouse and meets requirements for the *Gloria and Gerri* petal. Scouts learn about respect and authority by taking part in a 1910 school day, led by an authentic schoolmarm. They will complete a craft designed to build self-confidence to take home.

BROWNIE SCOUTS:

1. *Brownie Bonds: Celebrating Community* – Scouts earn their *Celebrating Community* badge by taking a guided tour of the Elmhurst History Museum, learning state/town symbols and songs important to our nation and its history, and creating their own symbolic troop flag.

2. *Learning Letterboxing* – Scouts can meet requirements for their Letterboxing badge by creating their own stamp; solving number, picture, and Morse Code clues; and going on a letterbox hunt.

JUNIOR SCOUTS: *Blossoming with the Juniors* – Junior Scouts can work towards their *Flower* badge by becoming junior botanists for the day. Participants will discover the science behind flowers, work on flower identification, make several take-home crafts, and participate in a flower hunt.

CUB SCOUTS

TIGER SCOUTS: *Telling Tales with the Tigers* – Scouts will have the opportunity to work towards their *Tiger Tales* badge by visiting our historic Glos Mansion, learning American folk stories and songs, and playing games from the past.

WOLF SCOUTS: *Where Are the Wolves?* – Meets requirements for the *Finding Your Way* badge by teaching Scouts all about maps and how to read and utilize them. Scouts will also make their own compass and practice their skills on the museum grounds.

BEAR SCOUTS: *Back In Time with the Bears* – Meet requirements for the *Paws for Action* badge by heading to our circa 1846 Churchville One-Room Schoolhouse, a National Register of Historic Places site. Scouts will participate in lessons just like those taught by the schoolmarm in the early 1900s, learn about famous Americans, and participate in a flag ceremony.
